

KLEI STORY

KL (Keith Louis Eichmann), prior to 1998, had an obsession with electrons and an obsession for sonic purity, musicality, and a passion for high performance audio; the result was the Eichmann Bullet plug. KL continued to focus his attention at the atomic level with a commitment to not only preserving, but enhancing electron flow. The sonic results from the application of his theories were ground breaking. The revolutionary ideas represented a paradigm shift in cable and connector design, forever raising the benchmarks for sonic performance.

2001, the premiere product, KL's Eichmann Bullet Plug, was released to rave reviews around the world. Hi-Fi Plus magazine from the UK reported: "The benefits are huge, HUGE! They transformed the performance of affordable cables, and I can't wait to hear them on serious leads."

In the same year, a range of cables was introduced under the eXpress models.

These cables were the first to incorporate KL's famous Eichmann Ratio, in which the return conductor has a carefully calculated greater cross-sectional area and mass than the signal. 2009 saw the addition to the eXpress cable range with the release of KL's Quiescence cable range.

2002, KL's AC Resonance Controlling Cable and Topper were released and were well received by audiophiles and reviewers. These incorporate KL's radical Fractal Resonance Control technology.

2005/2006, KL's Cable Pod and Bayonet Plug were released and were well received by audiophiles and reviewers. These incorporate KL's concepts and ideas which are a further development/extension of the Bullet Plug technology.

2008, KL's Quiescence cable range was released and was well received by audiophiles and reviewers. It incorporates KL's radical GnC technology, which is a further development/extension of KL's famous Eichmann Ratio. In the same year, KL's PhonoPod was released and was well received by Audiophiles and Reviewers. It incorporates KL's radical Ground Electron Channel.

2013, KL now nolonger associated with ETI, formed Keith Louis Eichmann Innovations, KLE Innovations (KLEI), refer *KLEI Trademarks & Registrations*.

2014, KLE Innovations (KLEI) released the new KL Bullet Plug in the form of the KLEI™Harmony (Bullet) plug range, under the KLEI™Harmony umbrella, which in comparison to the Bullet plug, the KLEI™Harmony (Bullet) plug is KL's new Revolution in Phono/RCA technology....

- Jan... KLEI™Copper Harmony (Bullet) Plug
- Mar... KLEI™Silver Harmony (Bullet) Plug
- May... KLEI™Pure Harmony (Bullet) Plug
- Oct... KLEI™Absolute Harmony (Bullet) Plug

KLE Innovations (KLEI) released KL's new ultra highend KLEI™gZero IC (Interconnect) range, under the KLEI™Essence umbrella, featuring KL's gZero™ architecture/technology, which is a further development/extension of KL's GnC technology and KL's Eichmann Ratio....

- Feb... KLEI™gZero2 ICs, featuring the KLEI™Copper Harmony (Bullet) plug, KL's gZero™ Signal/Ground Formula.
- Mar... KLEI™gZero3 ICs, featuring the KLEI™Silver Harmony (Bullet) plug, KL's gZero™ Signal/Ground Formula.
- Jun... KLEI™gZero6 ICs, featuring the KLEI™Pure Harmony (Bullet) plug, KL's gZero™ Signal/Ground Formula.

- Oct... KLEI™gZero10 ICs, featuring the KLEI™Absolute Harmony (Bullet) plug, KL's gZero™ Signal/Ground Formula.
- Dec... KLEI™gZero20 ICs, featuring the KLEI™Absolute Harmony (Bullet) plug, KL's gZero™ Signal/Ground Formula.

KLE Innovations (KLEI) released KL's new ultra highend KLEI™gZero SC (Speaker Cable) range, under the KLEI™Essence umbrella, featuring KL's gZero™ architecture/technology, which is a further development/extension of KL's GnC technology and KL's Eichmann Ratio....

- Mar... KLEI™gZero2 SCs, featuring KL's gZero™ architecture/technology, KL's gZero™ Signal/Ground Formula.
- Jun... KLEI™gZero6 SCs, featuring KL's gZero™ architecture/technology, KL's gZero™ Signal/Ground Formula.

2015, KLE Innovations (KLEI) enhances the KLEI™gZero ICs range, under the KLEI™Essence umbrella, featuring KL's gZEROS™ (GroundZeroState) architecture/technology, which is a further development/extension of KL's gZero technology...

- Feb... KLEI™gZero1 ICs, featuring the KLEI™Copper Harmony (Bullet) plug, KL's gZero™ architecture, KL's gZero™ Signal/Ground Formula.
- Feb... KLEI™gZero2 ICs, featuring the KLEI™Copper Harmony (Bullet) plug, KL's gZEROS™ architecture, KL's gZero™ Signal/Ground Formula.
- Feb... KLEI™gZero3 ICs, featuring the KLEI™Silver Harmony (Bullet) plug, KL's gZEROS™ architecture, KL's gZero™ Signal/Ground Formula.
- Feb... KLEI™gZero6 ICs, featuring the KLEI™Pure Harmony (Bullet) plug, KL's gZEROS™ architecture, KL's gZero™ Signal/Ground Formula.
- Feb... KLEI™gZero10 ICs, featuring the KLEI™Absolute Harmony (Bullet) plug, KL's gZEROS™ architecture, KL's gZero™ Signal/Ground Formula.
- Feb... KLEI™gZero20 ICs, featuring the KLEI™Absolute Harmony (Bullet) plug, KL's gZEROS™ architecture, KL's gZero™ Signal/Ground Formula.

KLE Innovations (KLEI) releases KL's new ultra highend KLEI™gZero IC/SPDIF (Digital) range, under the KLEI™Essence umbrella, featuring KL's gZEROS (GroundZeroState) architecture/technology, which is a further development/extension of KL's gZero technology...

- Feb... KLEI™gZero2D SPDIF/IC, featuring the KLEI™Copper Harmony (Bullet) plug, KL's gZEROS™ architecture, KL's gZero™ Signal/Ground Formula.
- Feb... KLEI™gZero3D SPDIF/IC, featuring the KLEI™Silver Harmony (Bullet) plug, KL's gZEROS™ architecture, KL's gZero™ Signal/Ground Formula.

KLE Innovations (KLEI) releases KL's new ultra, ultra highend KLEI™zFLOW IC range, under the KLEI™zFLOW umbrella, featuring KL's zFLOW™ (ZeroFlowGroundState) architecture/technology, which is a further development/extension of KL's gZEROS™ technology...

- Sep... KLEI™zFLOW33 ICs, featuring the KLEI™Absolute Harmony (Bullet) plug, KL's zFLOW™ architecture, KL's zFLOW™ Signal/Ground Formula.

KLE Innovations (KLEI) releases KL's new ultra, ultra highend KLEI™zFLOW SC range, under the KLEI™zFLOW umbrella, featuring KL's zFLOW™ (ZeroFlowGroundState) architecture/technology, which is a further development/extension of KL's gZEROS™ technology...

- Sep... KLEI™zFLOW22 SCs, featuring KL's zFLOW™ architecture, KL's zFLOW™ Signal/Ground Formula.

2016, KLE Innovations (KLEI) releases KL's new ultra, ultra, ultra highend KLEI™zPurity ICs/SCs range, which replaces the KLEI™zFLOW ICs/SCs and KLEI™gZero20 ICs range, under the KLEI™zPurity umbrella, featuring KL's zPurity™ (ZeroFlowPlusGroundState) architecture/technology, which is a further development/extension of KL's zFLOW™ technology...

- Mar... KLEI™zPurity8 ICs, featuring the KLEI™Pure Harmony (Bullet) plug, KL's zPurity™ architecture, KL's zPurity™ Signal/Ground Formula.
- Mar... KLEI™zPurity88 ICs, featuring the KLEI™Absolute Harmony (Bullet) plug, KL's zPurity™ architecture, KL's zPurity™ Signal/Ground Formula.
- Mar... KLEI™zPurity888 ICs, featuring the KLEI Perfect®Harmony (Bullet) plug, KL's zPurity™ architecture, KL's zPurity™ Signal/Ground Formula.
- Mar... KLEI™zPurity8 SCs, featuring KL's zPurity™ architecture, KL's zPurity™ Signal/Ground Formula.

KLE Innovations (KLEI) releases KL's new KLEI™AC power cables range, featuring KL's gPOWER™ (GroundZeroPowerState) architecture/technology...

- Jun... KLEI™gPOWER2 AC power cable, featuring the KL's spec'd IEC and AC Plugs, KL's gPOWER™ architecture, and KL's gPOWER™ Live/Neutral/Ground Formula.
- Dec... KLEI™gPOWER1 AC/UK power cable, featuring the KL's spec'd IEC and AC/UK Plugs, KL's gPOWER™ architecture, and KL's gPOWER™ Live/Neutral/Ground Formula.

2017, KLE Innovations (KLEI) release KL's new KLEI™AC power cables, featuring KL's gPOWER/zPurity™ (GroundZeroPowerState) architecture/technology...

- Feb... KLEI™gPOWER3 AC power cable, featuring the KL's spec'd IEC and AC Plugs, KL's gPOWER™ architecture, and KL's gPOWER™ Live/Neutral/Ground Formula.
- Feb... KLEI™zPurity8 AC power cable, featuring the KL's spec'd IEC and AC/UK Plugs, KL's gPOWER/zPurity™ architecture, and KL's gPOWER/zPurity™ Live/Neutral/Ground Formula.

KLE Innovations (KLEI) release the new KL Harmony (Bullet) Plug, ie. KL's next Generation Bullet plug design, under the KLEI™Harmony umbrella...

- Mar... KLEI™Classic Harmony (Bullet) plug

KLE Innovations (KLEI) release KL's new KLEI™Harmony Banana range, ie KL's next Generation Banana design, under the KLEI™Harmony umbrella...

- Sep... KLEI™Classic Harmony banana
- Sep... KLEI™PureQ Harmony banana

KLE Innovations (KLEI) release KL's new KLEI™QSeries SCs (speaker cables) which utilise the new KLEI™Harmony Banana range...

- Sep... KLEI™QFLOW3 SCs, featuring the KLEI™PureQ Harmony bananas, KL's QFLOW™ architecture, KL's QFLOW™ Signal/Ground Formula.
- Sep... KLEI™QFLOW7 SCs, featuring the KLEI™PureQ Harmony bananas, KL's QFLOW™ architecture, KL's QFLOW™ Signal/Ground Formula.
- Sep... KLEI™QPURITY8 SCs, featuring the KLEI™PureQ Harmony bananas, KL's QPURITY™ architecture, KL's QPURITY™ Signal/Ground Formula.

KLE Innovations (KLEI) release KL's new KLEI™QSeries Jumpers (Speaker Binding Post Jumpers) which utilise the new KLEI™Harmony Banana range...

- Dec... KLEI™QFLOW7 Jumpers, featuring the KLEI™Classic Harmony bananas, KL's QPURITY™ architecture, KL's QPURITY™ Signal/Ground Formula.

2018, KLE Innovations (KLEI) release KL's new KLEI™QSeries Jumpers (Speaker Binding Post Jumpers) which utilise the new KLEI™ PureQ Harmony Banana...

- Mar... KLEI™QPURITY8 Jumpers, featuring the KLEI™PureQ Harmony bananas, KL's QPURITY™ architecture, KL's QPURITY™ Signal/Ground Formula.

KLE Innovations (KLEI) release KL's new KLEI™QSeries ICs (interconnects) which utilise the new KL's QFLOW™ architecture and QFLOW™ Signal/Ground Formula...

- Apr... KLEI™QFLOW3 ICs, featuring the KLEI™Pure Harmony (Bullet) plug, KL's QFLOW™ architecture, KL's QFLOW™ Signal/Ground Formula.

2018 and Onwards, for KLE Innovations (KLEI) the range of KLEI Harmony plugs and KLEI™GZSeries ICs/SCs will be followed by KLEI™QSeries ICs/SCs, KLEI™Harmony spades, KLEI™Harmony XLRs (male/female), KLEI™Harmony binding posts, KLEI™Harmony RCA sockets, resonance devices (ie Topper), etc... but not necessarily in that order.

Through KL's innovations and designs, be confident that KLE Innovations (KLEI) will be releasing a range of innovative products that are and will be at the forefront of high performance audio, in the World's marketplace.
